

# Salafi logo phenomenon

Question: There are some people who attribute themselves to the Salafi methodology. They have made the symbol of the Superman cartoon symbol for Salafi. Is this correct and acceptable for the Muslim who follows the Salafi Methodology. And what if the purpose is to spread Islam is that permissible?

Shaykh Abdur Rahman Muhiyideen

**Answer:** Not permissible, Not permissible, Not permissible

Shaykh Mahir Al-Qahtani

**Answer:** This is wrong!

**Disclaimer.** This should not be used to identify any people in particular to classify them as " Super Salafi " That claim and title is evil and false.
